

Spot & Stain Remover

This photograph is for illustrative purposes only. It is not recommended that babies be allowed to chew on any product container.

PROCYON products have been the leading specialty cleaning products in the professional cleaning industry since 1979. Used for years by hotels, schools, hospitals, offices, custodians and janitorial services... PROCYON has even cleaned the White House.

Soap Free PROCYON Spot & Stain Remover will dissolve the toughest spots & stains on carpet & upholstery. Formulated with ingredients that will leave carpet & upholstery soft and fresh.

ENVIRONMENTALLY SAFER - *This product meets the Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

**This product contain no volatile organic compounds (VOCs) and the chemical composition will not contribute to indoor air pollution.

***This product is not a skin sensitizer and is not made with EU cosmetic/Detergent Directive or US FDA Food Allergens.

PROCYON can be used in enclosed areas without the worry of harmful off gases. No fragrance has been added.

TEST FOR COLOR FASTNESS: Prior to cleaning, test an out of the way area of carpet & upholstery to insure color fastness. Apply a small amount of mixed, ready-to-use PROCYON to the area, wait one minute and blot with a white cotton towel (BLEACH FREE). Check for color fastness. User assumes all liability and risk. Using more is NOT better. Use as directed. Improper dilution and use can have increased risk of health effects. Product does not expire.

DIRECTIONS

CARPET: Spray on spot. Allow cleaner to penetrate soiled area. Rub gently. In extreme cases, allow to dwell up to 15 minutes. Using a bleach-free, white cotton towel, blot until spot is removed. Repeat if necessary.

UPHOLSTERY: Spray on evenly, applying from the bottom going up. Rub gently. Using a bleach-free, white cotton towel, blot until spot is removed.

CAUTION: Do not use on varnished surfaces, leather, or vinyl. This product will strip protective finishes if allowed to puddle. **PERSONAL PROTECTIVE EQUIPMENT:** Protective gloves to minimize skin contact. Wash hands after using to avoid skin drying out. **FIRST AID:** In case of eye contact flush eyes with fresh water for 15 minutes. If swallowed, rinse mouth with plenty of water. If irritation persists, seek prompt medical help. **IMPROPER USE** may lead to adverse health effects. **WASTE DISPOSAL METHOD:** Dispose of in a landfill in accordance with all local, state and federal regulations.
