Dear Ivan:

This is to let you know that your product, **Blue Label Procyon Carpet and Upholstery Cleaner Concentrate** has been tested in accordance with the procedures for Seal of Approval evaluation of **Pre-Spray cleaning chemicals**.

It is a pleasure to also inform you that the product meets the testing requirements for Seal of Approval certification as a pre-spray carpet cleaning product when used in accordance with the label directions.

Attached is a copy of the laboratory test results provided to your company for its internal use. In accordance with the Program's Participation Agreement, the specific information and details contained in these test data are not to be used in your company's advertising or promotional materials. Any other use or distribution of this test data is prohibited without the written consent of CRI.

We are eager to promote Blue Label Procyon Carpet and Upholstery Cleaner Concentrate as an SOA-certified pre-spray carpet cleaner.

We invite you to visit the SOA Marketing Toolkit at [www.carpet-rug.org/SOA-toolkit](http://www.carpet-rug.org/SOA-toolkit), where you can download materials which you may find useful for marketing and promoting your SOA-certified product.

Also, attached to this email are high resolution graphic files of the SOA logo, along with a graphic standard guide (which describes how the logo should be used). You can use the SOA logo on your product packaging and marketing materials to differentiate yourself from the competition.

We would like to include your product on our website listing ([view CRI website by visiting this link](#)). Please send us the correct product information as you would like it displayed on the CRI website, including: manufacturer name, address, phone, fax, and website. Please include a product photograph as well.

We will also announce your product certification in our biweekly Newsline (an archive listing is available on our website at [www.carpet-rug.org/newsroom.cfm](http://www.carpet-rug.org/newsroom.cfm)). CRI would appreciate receiving any information you would like to include in the Newsline announcement.

If you have any questions or comments please don't hesitate to contact us! We look forward to hearing from you.

Again, congratulations on the acceptance of this product into the SOA program.  
Regards,

Pat Jennings  
Technical Manager  
Carpet and Rug Institute

Dear Ivan:

This is to let you know that your product, **Procyon Extreme** has been tested in accordance with the procedures for Seal of Approval evaluation of **Pre-Spray cleaning chemicals**.

It is a pleasure to also inform you that the product meets the testing requirements for Seal of Approval certification as a pre-spray carpet cleaning product when used in accordance with the label directions.

Attached is a copy of the laboratory test results provided to your company for its internal use. In accordance with the Program's Participation Agreement, the specific information and details contained in these test data are not to be used in your company's advertising or promotional materials. Any other use or distribution of this test data is prohibited without the written consent of CRI.

We are eager to promote Procyon Extreme as an SOA-certified pre-spray carpet cleaner.

We invite you to visit the SOA Marketing Toolkit at [www.carpet-rug.org/SOA-toolkit](http://www.carpet-rug.org/SOA-toolkit), where you can download materials which you may find useful for marketing and promoting your SOA-certified product.

Also, attached to this email are high resolution graphic files of the SOA logo, along with a graphic standard guide (which describes how the logo should be used). You can use the SOA logo on your product packaging and marketing materials to differentiate yourself from the competition.

We would like to include your product on our website listing ([view CRI website by visiting this link](#)). Please send us (just hit "reply all" to this email) the correct product information as you would like it displayed on the CRI website, including: manufacturer name, address, phone, fax, and website. Please include a product photograph as well. Jason Porter, CRI's Website/Database Manager (copied on this email), will post your company's information on the CRI website.

We will also announce your product certification in our biweekly Newsline (an archive listing is available on our website at [www.carpet-rug.org/newsroom.cfm](http://www.carpet-rug.org/newsroom.cfm)). CRI's Communications Manager and newsletter editor, Bethany Richmond (copied on this email, or available at 706.428.2125), would appreciate receiving any information you would like to include in the Newsline announcement.

If you have any questions or comments please don't hesitate to contact us! We look forward to hearing from you.

Again, congratulations on the acceptance of this product into the SOA program.

Dear Ivan:

This is to let you know that your product, **Soapfree Procyon Spot & Stain** has been tested in accordance with the procedures for Seal of Approval evaluation of **spotter cleaning chemicals**.

It is a pleasure to also inform you that the product meets the testing requirements for Seal of Approval certification as a spotter carpet cleaning product when used in accordance with the label directions.

Attached is a copy of the laboratory test results provided to your company for its internal use. In accordance with the Program's Participation Agreement, the specific information and details contained in these test data are not to be used in your company's advertising or promotional materials. Any other use or distribution of this test data is prohibited without the written consent of CRI.

We are eager to promote Soapfree Procyon Spot & Stain as an SOA-certified spotter carpet cleaner.

We invite you to visit the SOA Marketing Toolkit at [www.carpet-rug.org/SOA-toolkit](http://www.carpet-rug.org/SOA-toolkit), where you can download materials which you may find useful for marketing and promoting your SOA-certified product.

Also, attached to this email are high resolution graphic files of the SOA logo, along with a graphic standard guide (which describes how the logo should be used). You can use the SOA logo on your product packaging and marketing materials to differentiate yourself from the competition.
