

# Tile & Grout Cleaner Concentrate

This photograph is for illustrative purposes only. It is not recommended that babies be allowed to chew on any product container.

**PROCYON**  
*Soap Free*

**PROCYON Tile & Grout Cleaner** will cut through the toughest build-up; it will dissolve grease, oil, soap, mold, mildew on tile & grout floors. PROCYON will clean clay, ceramic, pool tiles, grout, stone, slate, granite, flagstone, "sealed terrazzo floors only", and ultra safety floors. PROCYON will even clean the bottom of ponds, fountains or pools - anywhere there is slime buildup.

**ENVIRONMENTALLY SAFER** - \*This product meets the Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org

\*\*This product contains no volatile organic compounds (VOCs) and the chemical composition will not contribute to indoor air pollution.

\*\*\*This product is not a skin sensitizer and is not made with EU cosmetic/Detergent Directive or US FDA Food Allergens.

PROCYON can be used in enclosed areas without the worry of harmful off gases. No fragrance has been added.

**CONTAINS:** anionic surfactant, water softening agents and degreasers.

**DIRECTIONS: SHAKE BEFORE USING.** Mix with cold water. Once product is applied, agitate with a brush, pick up solution and rinse thoroughly with fresh water. In extreme cases, let PROCYON dwell up to 15 minutes. Use as directed. Using more is NOT better. User assumes all liability and risk. Improper dilution and use can have increased risk of health effects. Product does not expire.

**NOTE:** Check for damaged tile & grout. If sealant is present, the surface may need to be stripped prior to cleaning.

**SPRAY OR MOP APPLICATION:** Mix 8 oz. to 1 gallon cold water. Apply mixture over area and let dwell. Use a rotary scrubber and/or a stiff brush to scrub area and rinse.

**DAILY MAINTENANCE:** Mix 2 oz. to 1 gallon cold water. Mop or scrub and rinse.

**MEDIUM SOIL:** Mix 4 oz. to 1 gallon cold water. Scrub and rinse.

**HEAVY SOIL:** Mix 6 oz. to 1 gallon cold water. Scrub and rinse.

**EXTREME SOIL:** Mix 8 oz. to 1 gallon cold water. Scrub and rinse.

**HYDRO FORCE:** Mix 32 oz. to 1 gallon cold water (meter 1:8). Apply evenly. Keep floor wet and rinse.

**TRUCK MOUNT:** Operate at 900 to 1,000 lbs. of pressure. Use tile tool.

**CAUTION:** Do not use on varnished surfaces, leather, marble, limestone, travertine, acid sensitive stone or vinyl. This product will strip protective finishes if allowed to puddle. **PERSONAL PROTECTIVE EQUIPMENT:** Protective gloves to minimize skin contact. Wash hands after using to avoid skin drying out. **FIRST AID:** In case of eye contact flush eyes with fresh water for 15 minutes. If swallowed, rinse mouth with plenty of water. If irritation persists, seek prompt medical help. **WASTE DISPOSAL METHOD:** Dispose of in a landfill in accordance with all local, state, and federal regulations.

- Odor Free
- No VOCs
